### Grading Policy:

- Homework **30%**: To master anything, you must practice. Homework is your practice. Homework will be assigned daily and will be due at the beginning of the next class period.
- Tests **50%**: There will be a test after each unit. There will be approximately 3 tests per term. If you are truant or caught cheating you will get a zero for that test. THERE ARE NO TEST RETAKES!
- Quizzes **20%**: Quizzes will be given periodically. The lowest 2 quiz scores will be dropped.

**Late Assignments:** Late work will be accepted before the unit test.

**End of Term:** End of term work will be due on a designated date before the end of the term. Any work turned in after that date will not be accepted for a grade.

**Cheating:** If you are caught cheating, you WILL BE GIVEN A ZERO. **Having your cell phone OUT** during an assessment or quiz is considered cheating. I highly encourage working together and believe it is beneficial, but there is a difference between *working together* and *cheating*.

**Absence Policy:** I support the school's attendance policy. See student handbook for details.
